

ELM CREEK WATER SUPPLY CORPORATION

REQUEST FOR SERVICE DISCONTINUANCE

I, _____, hereby request that my water meter, account # _____ located on _____, be disconnected from Elm Creek WSC service. I understand that my membership fee is non-refundable. I further understand that if I should ever want my service reinstated, it will be necessary for me to reapply for service as a new member and pay all costs as indicated in the Elm Creek WSC Tariff. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and may require capital improvements to deliver adequate service. I also understand that these improvements will be at my cost. I further represent to the Corporation that the co-member of this account (if applicable) joins me in this request and I am authorized to execute this Request for Service Discontinuance on behalf of this co-member.
