DISCLAIMER STATEMENT:

The Applicant agrees to pay a non-refundable application fee. This fee is to cover administrative, legal and engineering fees associated with determining the Corporation's ability to deliver service to said Applicant. Additional fees may apply depending on the specific service needs of the proposed new meter request. Any additional fees related to the proposed new meter request will be invoiced in conjunction with the Corporation's Engineer's detailed plan and specifications related to the plat submitted in the application. A minimum period of **three weeks** will be allowed to the Corporation's Engineer to complete a study of the proposed new meter request. Upon completion, the Corporation will provide the Applicant with the Engineer's findings and set specifications.
